

ROUND TABLE “RUSSIA–VIETNAM COOPERATION IN NUCLEAR, TRADITIONAL, AND ALTERNATIVE ENERGY. CONSTRUCTION OF FUEL AND ENERGY FACILITIES, DEVELOPMENT OF ENERGY-SAVING TECHNOLOGIES IN THE OIL AND GAS INDUSTRY”

Date: June 24, 2026

Time: 14:00 – 16:00

Venue: Sky Expo Center (Street 1, Quang Trung Software City, District 12, Ho Chi Minh City)

Languages: Russian, Vietnamese

Organizers: Zarubezh-Expo JSC in cooperation with the EnergoInnovation Association of Innovative Energy Enterprises and the Russian Gas Society

Moderators:

- **Mikhail SMIRNOV** – President of the EnergoInnovation Association of Innovative Energy Enterprises
- **Alik VILDANOV** - Deputy Executive Director of the Russian Gas Society

Topics for discussion:

Oil and Gas Projects:

- Development of PetroVietnam’s strategic projects through 2030;
- Cooperation of “PVEP Corporation” with Russian and international partners;
- Establishment of a joint venture between JSC “Gazprom Neft” and “PetroVietnam” for the development of the Dolginskoye oil field on the Pechora Sea shelf;

LNG Cooperation:

- Cooperation in the construction of LNG facilities in Vietnam. “Memorandum of Understanding for project development in Vietnam” providing for the development of an integrated LNG-based power generation project, in particular cooperation with PetroVietnam Power on the Nhon Trach and Phu My 4 power plants, as well as the perspective Thai Binh LNG project;
- Transportation of liquefied natural gas (LNG) by marine tankers. Regasification.

Energy Transition, nuclear and renewable energy:

- Prospects for intensifying cooperation in nuclear energy following the visit of Russian Prime Minister Mikhail Mishustin to Vietnam, in particular resumption of the Ninh Thuan nuclear power plant project and establishment in Hanoi of a Center for Nuclear Science and

Technology by specialists of Rosatom's mechanical engineering division, as well as other areas of cooperation between Rosatom and the Vietnamese side.

- Energy storage systems, including stationary energy storage systems and traction batteries for electric transport.

Electric Power Industry and Grids:

- Prospects for cooperation with the state electrical engineering company "ENVIPT" in creating the "Asian Energy Ring" and power bridges between our countries;
- Renewal of the agreement between "ROSSETI" and the National Power Transmission Corporation (EVNNPT);

Participants:

- Representatives of the Ministry of Energy of the Russian Federation;
- Representatives of the Ministry of Industry and Trade of Vietnam;
- Mr. Ivan Gumnikov, Head of the Trade Representation Office Branch;
- Representatives of the Department of Oil, Gas and Coal, Ministry of Industry and Trade of Vietnam;
- Mr. Ilya Koltygin - Head of Representative Office in Vietnam RUSSIAN EXPORT CENTER
- Representatives of the Vietnam Energy Association;
- Mr. Vu Mai Thanh, General Director of the "Vietsovpetro" Joint Venture;
- Assoc. Prof. Dr. Pham Minh Son, Rector of Academy of Journalism and Propaganda
- Representatives of energy institutions of Russia, the CIS countries and Vietnam;

Zarubezhneft JSC

State-owned oil and gas company engaged in exploration, production and development of oil and gas fields in Russia and abroad. Its key area of activity is long-term cooperation with Vietnam through joint oil and gas ventures

Mr. Alexander MIKHAYLOV, General Director

The Union of Oil and Gas Industry Organizations "Russian Gas Society"

Unites Russian companies in the oil and gas industry, as well as foreign companies interested in working on the Russian market

Alik VILDANOV - Deputy Executive Director of the Russian Gas Society Topic of the report:
"The role of natural gas in the energy transition"

Energoinnovation, LLC

Association of the largest manufacturers of advanced technologies and solutions in the energy sector and the oil and gas industry

Mikhail SMIRNOV – President of the Energoinnovation Association of Innovative Energy Enterprises

Condor-Eco JSC

Leading Russian manufacturer of gas cleaning equipment with more than 30 years of history

Mrs. Ekaterina ZHUCHENKO, General Director

Mr. DUONG Van Long, representative of Condor-Eco JSC in Southeast Asia

Topic: Successful experience supplying equipment to thermal power plants in Vietnam

PEMZ JSC

Development and production of DC and AC electric motors with a capacity of up to 300 kW and devices for industry, railway and urban transport, machine tool construction, shipbuilding and automotive industry

Mr. Dmitri IABLOCHKIN, General Director

Mr. Dmitri MININ, Deputy General Director

Ufagidromash LLC

Specializes in the production of oilfield equipment: hydraulic wrenches of the GKSH series; SPG series spiders; hydraulic power plants of the GSE series; bridge plugs (packer), cementing; KSC cranes

Mr. Mansur IANBERDIN, Deputy General Director

AGK LLC

AGK LLC (formerly Aggreko Eurasia) is a leading Russian industrial holding specializing in mobile power supply, temperature control, and load testing solutions

Mr. Pavel YAKUSHEV, Deputy General Director

TAU-S LLC

Russian manufacturer of materials and equipment for road marking, providing comprehensive solutions for road infrastructure

Mr. Nikolay MAKAROV, General Director

Mrs. Olga MAKAROVA,

Ms. Tatiana VELIKAYA, Commercial Director

Gazpromneft-Aero JSC

Provides supplies of aviation fuel and refueling of aircraft in Russia and abroad

Mr. Dmitry ZHEGALIN, Deputy Director General for Development

Mr. Dmitry KORPACHEV, Head of Foreign Sales

Mrs. Yulia KOLMAKOVA, Head of Retail Sales Abroad

Mrs. Yulia DIANOVA, Head of International and Partnership Program

Southern Kuzbass PJSC

Engaged in the extraction and processing of coal raw materials, the production of coal products and the provision of raw materials to the metallurgical and energy industries

Representatives of the following companies are presented: “Petrovietnam corporation”, “Novatek” PJSC, “Gazprom Neft” PJSC, “Gazprom” PJSC, “Gazprombank” JSC, State Corporation, “Rosatom Additive Technologies” LLC, “Rosneft” Oil Company” JSC, “United Instrument Manufacturing Corporation of “Rostec” JSC, and others.

Organizing Committee of “Zarubezh-Expo” JSC
in cooperation with the Russian Gas Society and
the Association “EnergoInnovatsiya”
